

In the last edition of the 13th Frame, TBA had just launched the new [USBC Coaching](#) framework. A couple of months on we are in full swing with more than 30 people attending the Bronze courses run in Sydney and Melbourne with another 70 completing the online Level 1 instructor program.

Having an abundance of skilled coaches and instructors is critical to the success of any sport. If the feedback received from participants so far is anything to go by, we are well on track to increase not only the quantity but quality and knowledge of our coaches and instructors. So if you have ever thought about getting involved in coaching please contact us at [tenpin.bowling@tenpin.org.au](mailto:tenpin.bowling@tenpin.org.au). Read [Luke Hannon's story](#) as reported in the Southern Highland News about how he is using his new coaching certification to help bowlers in his local centre of Highlands.

We are proud to announce that we are a [foundation member](#) of the National Sports Inclusion Alliance (NSIA). The newly formed alliance established by AUSRAPID was formed to assist member organisations to increase capacity for inclusion in sport of people who have an intellectual disability.

And whilst on the subject of inclusion, the 26th National Disability Championships is underway as we speak. With over 380 bowlers participating and 10 days of competition, this championship continues to grow each year. Check out the results [here](#).

And just to finish off on a lighter note you simply have to watch the most amazing trick shots you have ever seen performed by our very own Jason Belmonte. If you want to be entertained, amazed or just have a good laugh, find 5 minutes to [watch this clip](#). You won't be disappointed!

If you have a suggestion or want to provide some feedback on this edition, please drop us a line via email at [tenpin.bowling@tenpin.org.au](mailto:tenpin.bowling@tenpin.org.au) or PO Box 244, Albion Qld 4010.

Yours in Bowling,

Cara Honeychurch

Chief Executive Officer - Tenpin Bowling Australia
