

THE 13TH FRAME

June 2015

Welcome to another edition of The 13th Frame as the cooler weather descends on most parts of the country. This time of the year sure makes me appreciate the fact that our sport is played indoors!

The new membership system has certainly not been without its challenges both for TBA and bowling centres as both parties grapple with new technology and a new process. We sincerely apologise for any difficulties you may have experienced either becoming a member or receiving your card. With any major change to processes there are invariably times when things don't run as smoothly as we would like. Please bear with us as we have some amazing member benefits coming soon.

And speaking of member benefits, I hope you are taking advantage of the new SportsPass program which provides access to hundreds of discounts and other offers. To be a part of the program you must activate your card by heading to the [SportsPass website](#). It takes less than a minute to activate your card and start saving.

In other news, the national [Sporting Schools program](#) is gearing up to go live in term 3 around Australia. There are wonderful opportunities for existing and aspiring coaches to get involved and take our sport to the primary schools of Australia and get paid for the privilege.

Some of the other highlights in this edition include:

- All the results from the [2015 Junior Australian Masters](#)
- Australia finishes 3rd at the [World IBSA Championships](#) for the Blind and Visually impaired
- TBA launches a new range of [shirts for accredited coaches](#)
- All the news from around the States

Thank you for supporting your sport by being a registered member.

Yours in Bowling,
Cara Honeychurch
Chief Executive Officer – Tenpin Bowling Australia

Take Advantage of the Rewards & Activate Your Card!

In 2015 every member of Tenpin Bowling Australia will receive a SportsPass card which will act as your TBA membership card.
