   (f) A bowler wishing to represent a State or Territory that is different to the one being resided in at the time of the trials may apply in writing to TBA for an exemption to Rule 6 (e).

Selectors:
Parents or relatives (including de facto) of bowlers who have made an application for team selection will not be permitted to serve in any way whatsoever on a selection committee for a Walter Rachuig Team, nor will it be acceptable for them to exercise any degree of influence on any such committee.

7. SELECTION OF TEAMS

(a) Any State or Territory choosing to have any form of selection must abide by the TBA State Team Selection Policy, available in the Policies section of the TBA web site.

(b) Teams will be selected by the respective TBA State or Territory Association or a Committee appointed by that Association.

(c) Determining additional eligibility criteria is the sole responsibility of the respective State or Territory Association. Any appeals or complaints against non-selection or eligibility criteria set by a State or Territory must be lodged with that State or Territory for resolution.

(d) Selection must meet one of the following criteria, subject to clause 7 (h):
   i) Full roll-off where the first six highest pinfall bowlers in the roll-off in male and female Divisions will be declared the Walter Rachuig Trophy Team, or
   ii) Qualifying roll-off where the first four highest pinfall bowlers in the roll-off in male and female Divisions will be declared as members of the Walter Rachuig Trophy Team. A further two will be selected for each Division. All bowlers that have submitted a nomination for the event are available for selection, providing they participated in the roll-off or were granted an exemption.
   iii) A State or Territory Committee may choose to select their team from participants in one or a number of events held in their State or Territory. In that case, the State or Territory Committee must determine the number of members to be automatically placed and the number to be selected. The State or Territory Committee must ensure adequate notification is made if selecting this option.
   iv) If a Qualifying roll-off is held whilst there is an Australian team competing in a competition approved by the CEO and there are three or more bowlers from any one State or Territory in that Australian team, then that State or Territory selection committee has the option of the highest three roll-off bowlers being declared members of the Walter Rachuig Trophy Team, with a further three being selected in that Division.
   e) In the event that a State or Territory chooses option 7 (c) ii) for selection, they may grant an exemption to any bowler who has good and sufficient reason for not participating in the State or Territory roll-off. Such application for exemption must be in writing to the State or Territory Association and the acceptance or rejection of the application for exemption will be totally up to the State or Territory Association. Such applications from bowlers on National Team duties and bowlers with an injury/illness should be seriously considered.
(f) The roster of players for each team in the Walter Rachuig Trophy Tournament may not exceed six (6) players. The actual playing strength/line-up for any match will be five (5) players drawn from the roster submitted, except as described and provided for in Rule 10 (d).

(g) Each State or Territory Committee must advise TBA the names and details of their Team Members on the Team Registration sheet provided once team selections have been completed.

(h) Any State that requires an additional bowler at any time for any reason must abide by the TBA State Team Draft Bowler Policy.

8. **VENUE**

10. **FORMAT FOR MATCHES**
(a) Teams will be opposed against each other for two complete rounds of matches over a three-day period, or such time as may be considered necessary, according to the number of participating teams. Each match will be one full team game, and in the event of two or more teams not being represented, the Tournament Director will determine the number of matches.

(b) In the event that one State or Territory is not represented, it will be necessary for one team to have a bye, in which case the team enjoying the bye will only need to bowl in the match to claim the Team Match Point.

(c) Likewise individuals in a team line-up will be only be required to bowl in the match to claim the Individual Match Point.

(d) In the event that one or more of the nominated team members are unable to bowl prior to the commencement of, or during the actual Tournament, such that five (5) players are not available to play, the Tournament Director will endeavour to source a pacer bowler to fill the vacancy. Pacer scores will not count.

(a) Each team member will be matched against the opposing team member in the corresponding position in the line-up and the bowler achieving the highest total scratch pinfall for the game will win one (1) point for the Team. In the event of an equal game score, the point will be equally shared.

(b) A team member bowling unopposed in any match will automatically win the individual match point.

(c) The team’s total pinfall will be compared with the total pinfall of the opposing team and two (2) points will be awarded to the team with the highest total pinfall. In the event of an equal team score, the points will be equally shared.
